May 10th, 2018 - Introducing The Cub 9 Benchtop Bandsaw Grizzly's first addition to our benchtop series of portable home shop machines. We designed this machine with many of our industrial elements from our bestselling 14 models and added some industry first features for a benchtop bandsaw like the stout carrying handle upper and lower ball bearing blade.

'Estimating The Impact Of Robots On Productivity And
July 13th, 2015 - To discover the impact of robots on the average manufacturing worker, we analysed their effect in 14 industries across 17 developed countries from 1993 to 2007. We found that industrial robots increase labour productivity, total factor productivity, and wages while they don't significantly change.'
How Technology Is Destroying Jobs MIT Technology Review
June 11th, 2013 - Automation is reducing the need for people in many jobs Are we facing a future of stagnant income and worsening inequality'

OptiControls Loop Simulator
May 8th, 2018 - Use the OptiControls Loop Simulator software to interact with and tune simulated process control loops The simulator mimics various processes controller options disturbances and control valve issues
