"will the post jungians survive andrew samuels

June 5th, 2020 - The term post-jungian that I introduced in 1985 in my book Jung and the post-jungians serves as a useful heuristic indicator of what I have in mind the term facilitates critical discussion of for example the clinical project of Michael Fordham and his colleagues in the society of analytical psychology or James Hillman's influential school of archetypal psychology."

April 20th, 2020 - This critical text is still the clearest and most prehensive guide to what has happened in jungian psychology since Jung's death in 1961. It also provides an exceptionally lucid critical summary. "Central Florida Jungians
